

# INVO RX Solar Sign Light

The INVO RX solar sign light offers a straightforward and efficient solution for installation without the need for extensive wiring. Powered entirely by solar energy, this cutting-edge lighting option eliminates the expenses and complications associated with connecting to distant power sources. With our solar sign lights, you can easily install signage in remote or challenging locations, avoiding the need for power hookups or excavation. Utilising the sun's renewable energy, this outdoor lighting solution operates at no cost to you.

We offer a range of options and power capacities to meet your commercial solar sign lighting requirements.

- > All-in-one Solar Sign Light
- > Large battery capacity
- > Digital battery power indicator
- > Comes with ground mounting kit
- > 5 Year market leading warranty
- > Marine grade finish

\*Procure Direct offers a 5 Year Limited Warranty for the INVO RX Solar Sign Light shall be free from defects in material and workmanship for up to five (5) years from date of shipment. This limited warranty covers all components when installed and operated according to PD instructions. Fixture suitable for ambient temperature from -10° to 50°.
